

**Role Title: Pack Down Crew Member**

**Team: DPI**

**Team Description:**

Pack down is one of the most essential (and most fun) teams on the paddock. Working as a team, we disassemble and pack away all of the festival's temporary erections. We are the invisible fairies that make sure the paddock look as if we've never been there at all...

**Role Description:**

We need capable volunteers of all skill levels. Let us know if you have any special experience or expertise. If you're the type of person who sees a job that needs doing and does it, we want you. Must have an appetite for warm VB (or the willingness to develop one).

**Dates Required:** 3-6 days post-event

**Shift Length:** 8 hrs/day

**Ideal Skills:**

- Good level of fitness
- Ability to follow instructions
- Ability to carefully catalogue and collect inventory on everything that is packed down
- Desire to work when the party's over

Ideally you would have been involved in packing down large events and festivals before, but not to worry if you haven't. We still want you. If you're keen to learn how to efficiently and effectively pack down an event of this size, we'll teach you anything you need to know.

**Training Provided:** We'll give you all the equipment you shall need to put this event back in the box, ready to burst to life again next year. We'll tell you where everything should go and will always be around to help if you get stuck figuring out how the hell that all fits in those containers.

**Amenities Provided:**

- 3 prepared meals/day worked (you will need to provide your own meals during the event)
- access to hot showers on days worked

**How to Join:** Register to join the crew via completing the Crew registration Form found [here](#).
