**Team: Ice Royalty**

**Team Summary:**

Ice Royalty is the only service on the Paddock which charges for the product (Ice). It is located near the Centre Camp tent and is manned for one hour twice a day.

**Role Summary/Purpose:**

Ice royalty are for distributing ice from the on-site fridge and taking care of the cash sales during allocated times in the day. And what are kings and queens without their royal wrigglers? Families are welcome to crew, with this being a great opportunity to meet and interact with the people of the paddock.

Working in teams of 4 you'll handle the transactions, and get the ice from the freezer - literally the coolest place on the paddock on the warm spring days! Corraling people into a line and organising a method that works with your fellow royalty will be key to serving what can sometimes be a bit of a queue.
