

Role Title: Traffic Rover
Team: Traffic and Placement
Department: Entry

Team Description

Traffic and Placement is primarily responsible for:

1. Controlling and directing traffic once participants have cleared the gate to ensure a smooth and efficient arrival for participants whilst ensuring the safety of all thoroughfare and camping areas
2. Monitoring capacity of camping areas, assist in identifying suitable camping sites and monitoring camping setup.

Role Summary/Purpose:

This is one of the best jobs you can have at Burning Seed. You're out on the frontline engaging with people super excited to be coming into the festival. And you serve a valuable purpose – you keep things safe and make life easier for people who've probably just driven a long way and are looking forward to some chillaxation.

Working relationships:

We work closely with the gate, greeters and fun police.

Time Commitment/Dates required:

These are on-site roles. You'll predominantly be working over the first couple days of the event.

Duties/Responsibilities

- Direct and control traffic
- Provide camping direction and information
- Monitor capacity of camping areas
- Ensure efficient and safe vehicle movement

Key challenges

Our challenge is to make life from the moment a participant has cleared the gate to the moment they finish setting up camp as smooth, stress-free, safe and fun as possible. This requires some quick thinking at times, the ability to talk to people and a smile.

Necessary Qualities, Knowledge and Experience:

Can you operate a radio? We'll have you!

Desirable Qualities, Knowledge and Experience:

This role suits people who are happy to work outdoors on their feet, have good communication skills and can be assertive (but in a friendly way!) when the need arises.
