

**Role Title: DPI Auxiliary**  
**Team: Department of Planning and Infrastructure (DPI)**  
**Department: Operations**

### **Team Description**

DPI Auxiliary members are volunteers that wish to be a part of the awesome DPI team but due to time restraints are unable to help with pre-event preparations. They will be helping the DPI team by taking on 12hr shifts during the event, partnered up with an existing DPI member to facilitate various tasks that are required to keep the event running smoothly. This position is fundamental in that it allows the DPI crew to only have to do one 12hr shift during the event giving them a chance to relax and enjoy the event that they have given many weeks of their time to create. DPI Aux members will benefit from their volunteer shifts by having a meal and a hot shower at the end of each shift as well as early entry for DPI Aux Training that will be held a day or 2 before the event starts.

### **Role Summary/Purpose:**

The purpose of the Auxiliary is to support the DPI Team with all tasks that need to be performed on a regular basis during the event.

There will be one Auxiliary position per 12 hr shift with 12 shifts to be filled during the event from wed - mon

Once onsite, you will be given a brief training program showing you what needs to be done during the event and where everything is located.

During the event, you'll be required to turn up for your shift on time and sober. Dress code will be closed toe footwear and suitable clothing for the work required, i.e. shoes/boots, warm clothing for night, sun protection during the day.

Post event if you are able to participate in the pack down of the event you will be gratefully received.
